

Madison County Board of Supervisors Meeting, Monday, February 22, 2021: Quick Notes

- The Madison County Board of Supervisors (the Board) heard from County Administrator Shelton Vance and Emergency Management Director Albert Jones, III regarding the latest on post snowstorm clean-up and the garbage pick-up schedule:

The Board thanked those who were involved in the historic pre-storm preparation and post storm clean-up.

- The Board approved Caroline, LLC's Preliminary Plat of Pinehurst of Caroline. In addition, a design variance was granted to allow a dead-end street to extend longer than 500 feet.
- The Board approved the proposal for Batchelor Creek Delineation and Permitting with Headwaters Natural Resources Consulting for a fee not to exceed \$7,000. This contract will provide the required permitting to remove vegetative debris between the Canton city limits and I-55 to improve traffic flow during storms.
- The Board acknowledged the Court Order dismissing the \$60mm NCL Waste lawsuit against Madison County. The suit was dismissed by the Court with prejudice, meaning the lawsuit cannot be filed again under the same facts and details.
- The Board approved the nomination of William "Don" Seagrove, for an additional five-year term, as a commissioner on the Lake Lorman Utility District.
- The Board authorized correspondence to Members of the United States Congress, who represent Madison County, soliciting support for our request for federal funds regarding transportation, watershed management, law enforcement/public safety and broadband access.

The Madison County Board of Supervisors will meet again Monday, March 1, 2021 at 9:00 a.m. in the Administrative Building in Canton.
