

UPDATE TO DATES OF PLANNED I-55 NORTHBOUND CLOSURES

Due to unfavorable weather conditions, the northbound lanes of I-55 will close at the SR 463 interchange in Madison for 30 minute intervals between 12 am and 5 am on Friday, June 20; Monday, June 23; Tuesday, June 24; and Wednesday, June 25 for crews to hang beams for the new Reunion Parkway bridge.

During closure intervals, drivers should slow down, anticipate a stop in traffic and if necessary, seek an alternate route. Warning signs will be in place leading up to the work to alert motorists of the temporary closures.
