## Office Operations March 24, 2020

During this state of emergency, Madison County asks that you be considerate of your health, our employees, and other citizens around you.

Our offices are open to conduct business (8:00 a.m. to 5:00 p.m.). In all locations, we are restricting the number of people in an area at any one time.

We encourage you to call an office before you arrive to determine if we can help you by phone, e-mail, or regular mail. Further, we direct you to our website which provides multiple contact options or e-commerce options for you.

Our Solid Waste Collection program is continuing to operate. Because volumes are higher than normal, you may experience a slight delay in pickup, but the daily schedule remains the same.

Should you have any questions, please do not hesitate to call us at 601-855-5500.
